

## Living Life with Purpose

**W**hen we were in our mother's womb, God created in each of us purpose, an assignment for which we were uniquely born. There are problems that plague our world, and God has created us to address those problems through the assignments He has given us.

So much of our lives are spent looking for ways to address our own problems. But in ignorance and unbelief, we use up God's resources trying to please and satisfy ourselves. A poured out life wants to address problems, and to be a solution rather than just another complaint or opinion.

As citizens in the Kingdom of God, we daily declare the dominion of God's power, rule, and reign over every circumstance and situation. When we ask for God's "Kingdom to come, His will to be done, on earth as it is in Heaven", we're asking the Lord to reveal to us not only His Kingdom, but also our place in it, our assignments, and the very reason we were born. When we pray, we pray according to that purpose and those assignments, according to who we are, and what it is we are assigned in the Kingdom.

Without the knowledge of our assignments, we are lost and without purpose. We can do a lot of good things for the Lord, but it's His desire that we pursue the assignments for which we were created. In that place, people's lives are truly changed, and we are fulfilled!

Coming out of the wilderness into the Promised Land is coming into the revelation of who we really are in the Kingdom, and the assignments given to us by the King. Any blessing of the Lord that is upon our lives is in direct correlation to the resources needed to complete those assignments.

In other words, God is not interested, per se, in giving you a vehicle just because you need it. He is, however interested in you having a vehicle if it will empower you to complete your assignments. God knows that you are His body in the earth. He already knows what you will need in order to complete those assignments.

### **So, for your consideration:**

1. Get into agreement with God concerning who you are in Him. So many of us think so little of ourselves that we do so little for the Kingdom. Ask God to give you a revelation of who you are, so that you can begin to declare your sonship/daughtership in the earth.

**Confession: I am who God says I am.**

2. Ask God specifically for His assignments for your life. God created you for a specific purpose. There are problems in the earth that only you can solve. Ask God to show you what it is He has created you to do.

**Confession: I can do what God says I can do.**

3. Ask God to send you resources to accomplish your assignments. Ask God to send to you those whose resources have been stored up to bless you to complete the assignments God has ordained you to do.

**Confession: I have the blessing of the Lord abounding in my life.**

Lord, make me aware of the importance of my citizenship in the Kingdom. Let me not take for granted who I am, and what you have entrusted me to do. Give me revelation, wisdom, knowledge and understanding so that I might walk in the fear of the Lord, believing that God will enable me, empower me, and employ me to do and to be all that He created me to be; for His glory – Amen!
